Declaration Information

This Self-Declared Environmental Product Declaration is in accordance with ISO 14025:2006 and EN 15804+A2. This certificate is based on an LCA-dossier developed according to ISO14025:2006, ISO14040 and EN15804+A2 and the NMD Assessment Method 1.1. EPD of construction products may not be comparable if they do not comply with EN15804+A2 and the NMD Assessment Method 1.1. Substances of Very High Concern (SVHC) that are listed on the 'Candidate List of Substances of Very High Concern for authorization' are declared when contents exceed the limits for registration with ECHA

Detailed Product Description

General Product Information

Govaplast semi-finished products are mainly produced from secondary plastics (PE, PP) which are purchased from various plastic suppliers and recyclers. In addition, additives are added to obtain the correct color. The Govaplast plastic semi-finished products can be developed in the form of beams, poles, planks or plates. Govaplast semi-finished products are produced in various colorways. This document refers to the **ash grey** colorway.
